FOREWORD

DR RUAN HORN

District Pastor: Northern Peninsula 2 District

The Christian pilgrim is not to walk in darkness. Jesus leads the way. Those who follow Him walk in the sunshine of His presence. The path the pilgrim treads is clear and well-defined. Christ's righteousness goes before him – the righteousness that makes possible the good characterizing the life of true Christian. God is His reward. He walks in the light as Christ is in the light. As he travels onward in the Christian journey he combines faith with earnest endeavour to win others to accompany him. Constantly receiving the light of Christ's presence, constantly he reflects this light to others in words of encouragement and deeds of self-denial. He bears the sign of obedience to God's law which distinguishes him from those who are not following the path that leads to life eternal.... (RC 235.2).

I pray our camp meeting will be a blessing to all of us. May we become more receptive to His powerful presence that will enable us to walk the talk.

Voorwoord

Die Christen pelgrim hoef nie in duisternis te wandel nie, want steeds lui Jesus die weg. Diegene wat Hom volg, wandel in die sonskyn van Sy teenwoordigheid. Die pad wat die pelgrim bewandel is duidelik en goed begrens. Christus se geregtigheid gaan hom voor – hierdie geregtigheid wek goeie daade en is kenmerkend van die lewe van elke ware Christen. God is loon. Hy wandel in die lig soos Christus in die lig is. Soos hy voortgaan op sy Christelike reis word geloof kombineer met ernstige pogings om andere deel van die reisgeselskap te maak. Konstant word die lig van Christus se teenwoordigheid ontvang en konstant word hierdie lig aan andere weerkaats in woorde van bemoediging en daade van self-verloëning. Hy dra die tekens van gehoorsaamheid aan God se wet wat hom onderskei van diegene wat nie volg op die weg na die ewige lewe nie.

Ek bid dat ons Kampvergadering tot ryke seën van almal sal strek. Mag ons meer ontvanklik word vir die magtige teenwoordigheid van Hom wat ons in staat stel om die daade te doen wat inderdaad andere sal trek.

CAMP MEETING RULES:

It is important for all Camp Meeting attendees to take note of the rules of engagement in the interest of this weekend's success. Cooperation is vital. God's blessings are assured... but, if we are faithful!

1. **Our children** are a gift from the Lord. We implore parents/guardians to keep a close eye on your children. Do not leave them in the hands of strangers. Keep them close, and keep them safe.
2. All **announcements** should be left in writing at the sound/technical desk where the relevant announcers will collect such information before or during sessions.
3. **Prayer Warriors** are essential in the success of all our endeavours. Members interested in joining in prayer are encouraged to do so under the leadership of designated PLC officers. The meeting place will be the room at the entrance foyer. This will be confirmed during announcements. Prayer requests can be submitted to Session coordinators at any time. While the team will be praying for true revival and reformation, we implore all attendees to do the same.
4. We humbly ask that **Ablution facilities** be kept clean by users at all times. Remember, cleanliness is next to Godliness!
5. **First Aiders** are on duty during all sessions and are accessible to all members in the main hall. A visible station will be secured. All medical emergencies should be channeled to this team.
6. **Program Coordinators** have been appointed in all venues and will be accessible when on duty. They will usually be found seated in the front rows during their duty sessions.
7. **Security personnel** are on duty to ensure the safety and protection of all attendees. Please assist by not leaving personal items unattended. Report suspicious behavior and concerns in this regard to security officers immediately.

Pr. Clifford Herman

Biography

Clifford Herman was born in Cape Town, South Africa. He completed a BA Theology at Helderberg College outside Cape Town in 1997 and served as a Pastor in the Southern Hope Conference (now Cape Conference) for 4 years.

In January 2002 he was called to the Scottish Mission where he served in Edinburgh and South West Scotland for nearly 12 years, as well as being the Family Ministries, Communication and Pathfinder Sponsor during that period. He was ordained in Scotland in June 2005.

In 2013 he was called to the South England Conference to serve in Area 1 - Plymouth/Liskeard District and was elected to serve as Area Coordinator in August 2018. In July 2019 he completed an MA Systematic Theology at Newbold College (University of Wales Trinity St David).

Pastor Herman was elected as Pathfinder and Adventurer Director at the South England Conference Session in September 2019.

He and his wife, Ophelia, are blessed with 2 children (boy and girl). Ophelia works in an NHS Trust. Their son Matthew is completing a university degree and Meghan is in high school.

Clifford enjoys traveling and going to places he has never visited before. His passion is working with young people and children as well as searching for and sharing with others what it means to have a meaningful relationship with Jesus, while at the same time continually exploring the key ingredient to such a relationship.

Personal Camp Meeting Message

Faith is designed to be Inspiring, because the Bible says it's a gift from God. During the various steps of our life, we count on and desire faith to pull us through. We need faith, when we struggle, when we have lost our way sometimes, when we need to make sense of what we read in God's word, even when we need guidance in what decisions we need to make. We even need faith when we share Jesus with someone else in knowing what to say. Most of all, we need faith as we see the day of Christ's return approaching, and we desire to stay faithful so that we be saved and go home with Him. During this Camp Meeting weekend I would like to explore most of these subjects together with, so that our faith grows stronger in order to stand the test of time, but mostly to draw closer to our friend, Jesus.

Pr. Arnold Alexander

Biography

I am Arnold Alexander, the eldest of 5 siblings. Heather and I will be married for 37 years this year. We have a daughter Lizelle married to Vaughan Petersen, and they have made us proud grandparents of a handsome little boy, Levi Grant Petersen. Before God called us to ministry, I worked in the Financial Services industry for over 30 years. My retrenchment in 2012 was an exceptionally peculiar entry wedge that God utilised to commence my ministry.

In February 2013 I enrolled at Helderberg College of Higher Education (HCHE) where I commenced my theological studies. I completed my studies and graduated from HCHE in December 2016.

We received a call to pastoral ministry from the Cape Conference, in the Swartland District on 1 January 2017, and served here until 31 December 2019. Our next assignment commenced on 1 January 2020 in the Central Peninsula 2 District. We served this district during an unprecedented and unparalleled period in our history. It was during our time in this district that I was ordained to the pastoral ministry on 18 March 2022.

At the 5th Constituency meeting of the Cape Conference, on the 20 March 2022, we were called to administration where I currently serve as the Executive Secretary. We are deeply appreciative of the providence and protection of God during our time in pastoral ministry, and one year in Secretariat.

Personal Camp Meeting Message

I am delighted to participate and minister at your camp meeting. It is a time of excitement, fellowship, inspiration, and spiritual rejuvenation. However, we cannot forget the recent past where gatherings of this nature and magnitude were prohibited. We have been directly impacted, or acquainted with someone who was affected and infected by COVID-19. Because death has visited us, many may still be grieving in the aftermath of this pandemic. We have passed through this period and now able to congregate at this camp meeting since this unforgettable epoch in our history.

As Seventh-day Adventists, we are acutely aware of the present time in the context of history, and more significantly prophesy. Our identity and theology firmly focus us on the second coming of Jesus Christ, and we fervently and urgently anticipate it. While camp meeting is a time of excitement, fellowship, inspiration, and spiritual rejuvenation, it must equally be a time firmly focused on preparation for mission. As a movement we have been called to participate in God's mission and camp meeting must be used as a

mobilisation tool for this purpose. EGW writes, "The camp meeting is one of the most important agencies in our work. It is one of the most effective methods of arresting the attention of the people and reaching all classes with the gospel invitation." (6T, 31.1). Mission is the core business of the church, and I have never been more aware of this fact than the present time. May this camp meeting constrain and compel us and serve as a seminal moment to energise and mobilise for mission with a resounding, "I WILL GO!!"

Pr. Patrick Stander

Biography

Patrick is married to Elana, and they are blessed to be the parents of two teenagers, Eden (daughter) and Zion (son). He was trained in the art and science of evangelization with Scriptura Academia (2001-2002) and also attended The Field School of Evangelism (2008) hosted by the Southern Africa Indian Ocean Division, and conducted by Dr. Mark Finley in the Greater Gauteng area.

He has served as the Director for Youth Ministries (2014-2015), as well as Sabbath School and Personal Ministries (2019-2022) in the Western Region of the Cape Conference of Seventh-day Adventists. He is currently serving as the Speaker /Director of Voice of Prophecy Bible School.

Personal Camp Meeting Message

"Inspiring Faith". Can it be that this is not just another nice sounding camp meeting theme? Can it be that this is in fact a precise diagnosis of what you and I need today? Especially in light of the drastic changes that we have experienced in the recent past. If you are honest about our lived reality as human beings, then you must admit that it has become very difficult to maintain an unwavering faith in the face of tragedy, sorrow, loss and confusion. Yes, I have also asked the questions that you are asking. I have also discovered that there are more questions than answers at the end of the day.

However, having reflected on the camp meeting theme, I have concluded the following; If I read it subjectively it means that I have a need for my faith to be "upgraded". I know that you need it too. If I read it objectively it means that my faith, if "upgraded", will potentially inspire faith in others. Listen to Ellen White's perspective on this notion; "All have trials; griefs hard to bear, temptations hard to resist. Do not tell your troubles to your fellow mortals, but carry everything to God in prayer. Make it a rule never to utter one word of doubt or discouragement. You can do much to brighten the life of others and strengthen their efforts, by words of hope and holy cheer." Steps to Christ p. 119:3.

It is therefore my prayer that you and I will have a camp meeting experience that inspires faith that is inspiring.
